SUBJECT: Dana Edward Goulet

Dear Bill:

Thank you very much for the information you recently sent us concerning the above-named individual. This is helpful to us as we start a file which will lead to refusal of future registration attempts.

We would like a document with Mr. Goulet's signature on it. This aids in the identification process.

We would also like to have the outcome of the legal action as this is completed. A conviction and sentencing certainly strengthens our file. Also, we would like more information related to the charges if you have this available. Did the sexual assault take place with scouts or in a scouting activity? What type of incidents occurred? If any of this information is available to you, it helps to strengthen our file.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Mr. Goulet:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely,

ALAN HENRY  
South Plains Council, President
