Dear Kent:

I really would like to have a Confidential Record Sheet on this individual. This would be most helpful to us should he attempt registration in some other location. I am enclosing another form which I would like to have completed.

You also indicate that he has been convicted of child molestation in the summer of 1988. Can you not send us a copy of a newspaper clipping or court record which would substantiate this conviction? This is most helpful if neither you or I are in our present job when a registration is attempted.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

SUBJECT: STATES L NELSON

Dear Kent:

We appreciate the material you sent us last June related to this individual. I agree that he should be placed on the Confidential File.

I am again enclosing a Confidential Record Sheet which we would like to have completed, so we may identify Mr. Nelson. It is most important to have his personal information to aid in the identification process. Please complete this with as much information as you have available.

You indicated that he had been convicted of child molestation in the early summer of 1988. There must be someone in your council who can secure copies of this conviction either from newspapers or court records. This is most helpful in order to substantiate our refusal in another location.

Thanks for your help in completing this file to protect the youth of America.

Sincerely,

Paul Ernst, Director

SUBJECT: States L. Nelson

Dear Kent:

We really appreciate the information you sent us in June concerning the above named individual. You indicated that he had been convicted of child molestation.

The application which you sent us gives us much information we need for the Confidential Record Sheet. It would be helpful, however, to know this individual's race as we complete this sheet. If you will give us a few extra pieces of information, we can complete the Confidential Record Sheet in this office.

A copy of a newspaper clipping or a court record would be most helpful in substantiating our refusal. It would also be helpful to know where this conviction took place, if you do not have any newspaper clippings or court records. A listing of the jurisdiction would enable us to trace this down later should that be necessary.

Sincerely,

Paul Ernst, Director

Dear Paul:

Attached please find an adult application that has since expired on a gentleman by the name of States Nelson. For your information, Mr. Nelson was convicted of child molestation within the past one month. He is not currently a registered adult nor is he involved in any way with the Boy Scouts of America, but in light of his past, I feel that it is necessary to enter his name into the confidential file.

This is the best information I have that is available for Mr. Nelson. If you would like any additional support we will do what we can to comply.

Sincerely,
